

Companion Conceptual Modelling Training Workshop
27-31 May 2013, Kasetsart University, Bangkok, Thailand

DAY 1 : 27th May 2013	
From 8:30	<i>Welcome coffee</i>
9:00	The ComMod approach : its origin, justification, objectives, basic methodological principles, key tools, effects and impacts (Guy)
<i>Coffee BREAK</i>	
Overview of diverse selected case studies	
“Community Management of Razor clam fishery at a Ramsar Coastal Site” (Kobchai)	
“Rice, Water and Labour Management in Lower NE Thailand” (Warong)	
“Livestock & Forest Area Management in Northern Thailand Uplands” (Pongchai)	
12:00	<i>Lunch</i>
13:00	“Mitigation of Land, Forest, and Water Use Conflict in Northern Thailand Uplands” (Panomsak) “Herder Communities Conflict Over Grazing Land in Bhutan Highlands” (Guy)
<i>Coffee BREAK</i>	
Rehab Role-Playing Game on Resource and Biodiversity Conservation (Pongchai & Team)	

DAY 2 : 28th May 2013	
From 8:30	<i>Welcome coffee</i>
9:00	ABM models and an Example : the Fire model (Warong) Conceptual modelling in ComMod: Tools with emphasis on PARDI (Panomsak & Pongchai)
<i>Coffee BREAK</i>	
“PARDI Implementation: Plurix-Avian Flu management case study” (Aurélie)	
Splitting into three working groups/cases (Aurélie)	
12:00	<i>Lunch</i>
13:00	Beginning of PARDI exercise: ‘Problem’ definition(P), context & framing Plenary presentations : ‘Problem’ & context of each case by three small groups
<i>Coffee BREAK</i>	
PARDI exercise: co-construction of ‘Actors’ diagrams (A)	

DAY 3 : 29th May 2013	
From 8:30	<i>Welcome coffee</i>
9:00	PARDI exercise (A) / continued Plenary presentations of 'Actors' diagrams by small groups
	<i>Coffee BREAK</i>
	PARDI exercise: co-construction of 'Resources' diagrams (R)
12:00	<i>Lunch</i>
13:00	PARDI exercise: co-construction of R diagrams / continued Plenary presentations of 'Resources' diagrams by small groups
	<i>Coffee BREAK</i>
	PARDI exercise: co-construction of 'Dynamics' diagrams (D)

DAY 4 : 30th May 2013	
From 8:30	<i>Welcome coffee</i>
9:00	PARDI exercise: co-construction of 'Dynamics' diagrams / continued Plenary presentations of resource 'Dynamics' diagrams by small groups
	<i>Coffee BREAK</i>
	PARDI exercise: : co-construction of 'Interactions' diagrams (I)
12:00	<i>Lunch</i>
13 :00	PARDI exercise: co-construction of 'Interactions' diagrams / continued Plenary presentations of 'Interactions' diagrams (I) by small groups
	<i>Coffee BREAK</i>
	Improvement & finalization of 'Interactions' diagrams by small groups

DAY 5 : 31th May 2013	
From 8:30	<i>Welcome coffee</i>
9:00	PARDI exercise: selecting time & spatial scales Use of PARDI outputs & Perspectives beyond PARDI diagrams (Guy) From PARDI outputs to UML diagrams: Example of the 'Kud Daeng' case (Warong)
	<i>Coffee BREAK</i>
	Consolidation of conceptual models for each case by small groups Course evaluation & planning for next steps in each group
12:00	<i>Lunch</i>
13:00	RIU-PN25 Project and future ComMod E-Learning Tools (Panomsak)
	Wrap-up session: Planning for the next steps, final remarks & closing event (Aur�lie)
